Election of Directors.

Board Member: The second official order of business this evening is to consider and approve, as the Members may determine, the election of a slate of individuals to fill the vacancies created by the expiration of the terms of several members of the Board of Directors of your organization.

Those individuals elected as directors will serve, as such, in accordance with the Bylaws of the Corporation, for a term of three (3) years (and until their successors are duly elected and qualified).

Those individuals are as follows, as nominated for Director positions by the E4 Carolinas Nominating Committee:

Class of 2019

Ronak Bhatt, RIN Advisors

Elizabeth Colbert-Busch, Clemson University

Brian Gemmell, Siemens Energy

Robert Johnson, UNC Charlotte, Williams States Lee College of Engineering

Lee Mazzocchi, Duke Energy

Wayne Wilkins, Energy United

Accordingly, is there a motion to elect that slate of individuals as Directors of E⁴ Carolinas, Inc.?

Member: So moved.

Board Member: Is there a second to the motion?

Member: Second

Board Member: A motion to elect the slate of Directors presented, has been made and seconded. Is there any discussion of the motion or any other nominations to come before the Members?

Members: [Discussion, if there is any]

Board Member: There being no additional discussion with respect to the motion on the table, we will proceed to a vote on the motion.

I would ask that all Members and Member representatives stand for the voting process. Thank you.

Does anyone in the Membership hold a proxy for vote on behalf of a member not present? If so, please identify yourself and confer with Sean Sextstone as to how you intend to vote the proxy you hold.

(after all proxies in the audience have been identified and conferred)

All in favor of the motion, please signify by saying "Aye".

All opposed to the motion, please indicate by saying "Nay".

Sean Sextstone of CB&I will now join me at the podium to report the result of the voting.

Based upon the voice vote just made, those nominated individuals are elected to the E⁴ Carolinas Board of Directors for a three year term and are referred to as the "Class of 2019"

I am pleased to introduce your 2017 Board of directors
